1. The BRR has held some kind of race around the end of June or early July every year since 1989. It tied in with Riverfest in the early years. It was a 10K race for the first four years. Thus, 2015 was our 27th annual event (and our 23rd annual 5 km race).
2. First mention of the kids' one km race was in 1995. So, the 2015 race was the 21st annual run.
3. Participation numbers sometimes differ based on newspaper and personal records.
4. Race fees in 1995 were \$7 for club members and \$9 for non-members.
5. Notables in the first race were Ron Hungerford, Jim Locke, Tony Dunbar, Liam Cullen and Nieves Bonucchi.
6. On July 3, 1999, a Riverfest One Miler was held with 34 runners taking part. Dwayne Conklin won.
